

SPECTRACELL MICRONUTRIENT TESTING **INSURANCE COVERAGE**

Disclaimer – While we try to keep this list as up to date as possible, insurance companies are constantly changing coverage policies. If you do not see your insurance company on this list, please call 813-244-7815 or email us at tadams@mylabservices.com and we will check for you. We also request that if you do see your insurance company on this list that you call and confirm this with them before ordering, *otherwise you may be invoiced for additional coverage fees.*

IMPORTANT NOTES –

No HMO Insurance plans cover the micronutrient test regardless of insurance carrier.

Blue Cross Blue Shield will cover the test **only if your out-of-network deductible is met.** If this is not you can be billed up to an additional \$310.00

Some insurance companies will reimburse you for part(s) of this test. We highly recommend that you print out our CPT code sheet and contact your insurance company for instructions on how to be reimbursed.
